**- Summer Dialogue Scholarships -**

Up to \$2,500 annually will fund scholarships up to \$250 each for Minnesota conductors to attend the ACDA of Minnesota Summer Dialogue, a four day event held in conjunction with the All-State Choir camps. Members of the profession have the opportunity to share, communicate, discuss and exchange ideas in a supportive and nurturing environment. Sessions are led by some of the finest choral directors from Minnesota and the nation. There are two categories for these scholarships:

- 1) Full grants for conductors with 0-2 years of experience.
- 2) Scholarships to cover the registration fee for conductors, regardless of experience, who have never before attended Summer Dialogue.

Undergraduate students and previous recipients of this award are not eligible. Membership in ACDA is *not* a requirement for eligibility.
